EXTERIOR

THE BEAUTY OF MOTION

Simple. Effective. Undeniably spectacular. Your McLaren is naturally striking. Enhance its beauty further through our range of exterior accessories. A fitting evolution of the exterior of your vehicle, each accessory is designed without compromise.

Whether parked in your garage or out on the road, your vehicle's aesthetics will reflect the power within.

Carbon Fibre Front Splitter

Carbon Fibre Airbrake Panel

Carbon fibre accents enhance the powerful stance of your McLaren, giving it even greater presence. The carbon fibre airbrake panel and front splitter deliver visual impact, drawing attention to your McLaren's dynamic lines while also reinforcing its sporting prowess. These carbon fibre elements not only add further individuality to your vehicle, but their ultra-lightweight construction can help to reduce the weight, delivering additional performance benefits¹.

Sports Exhaust

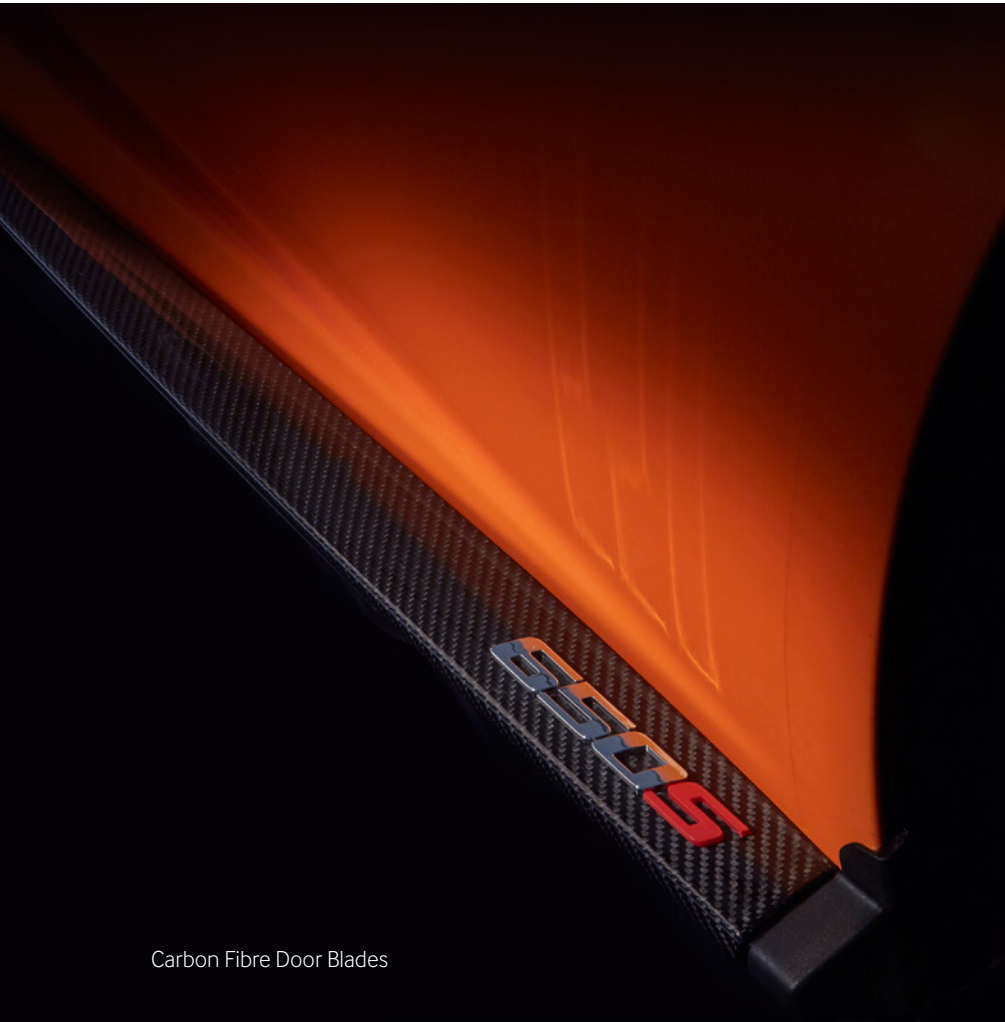

Carbon Fibre Rear Bumper Centre

Carbon Fibre Diffuser

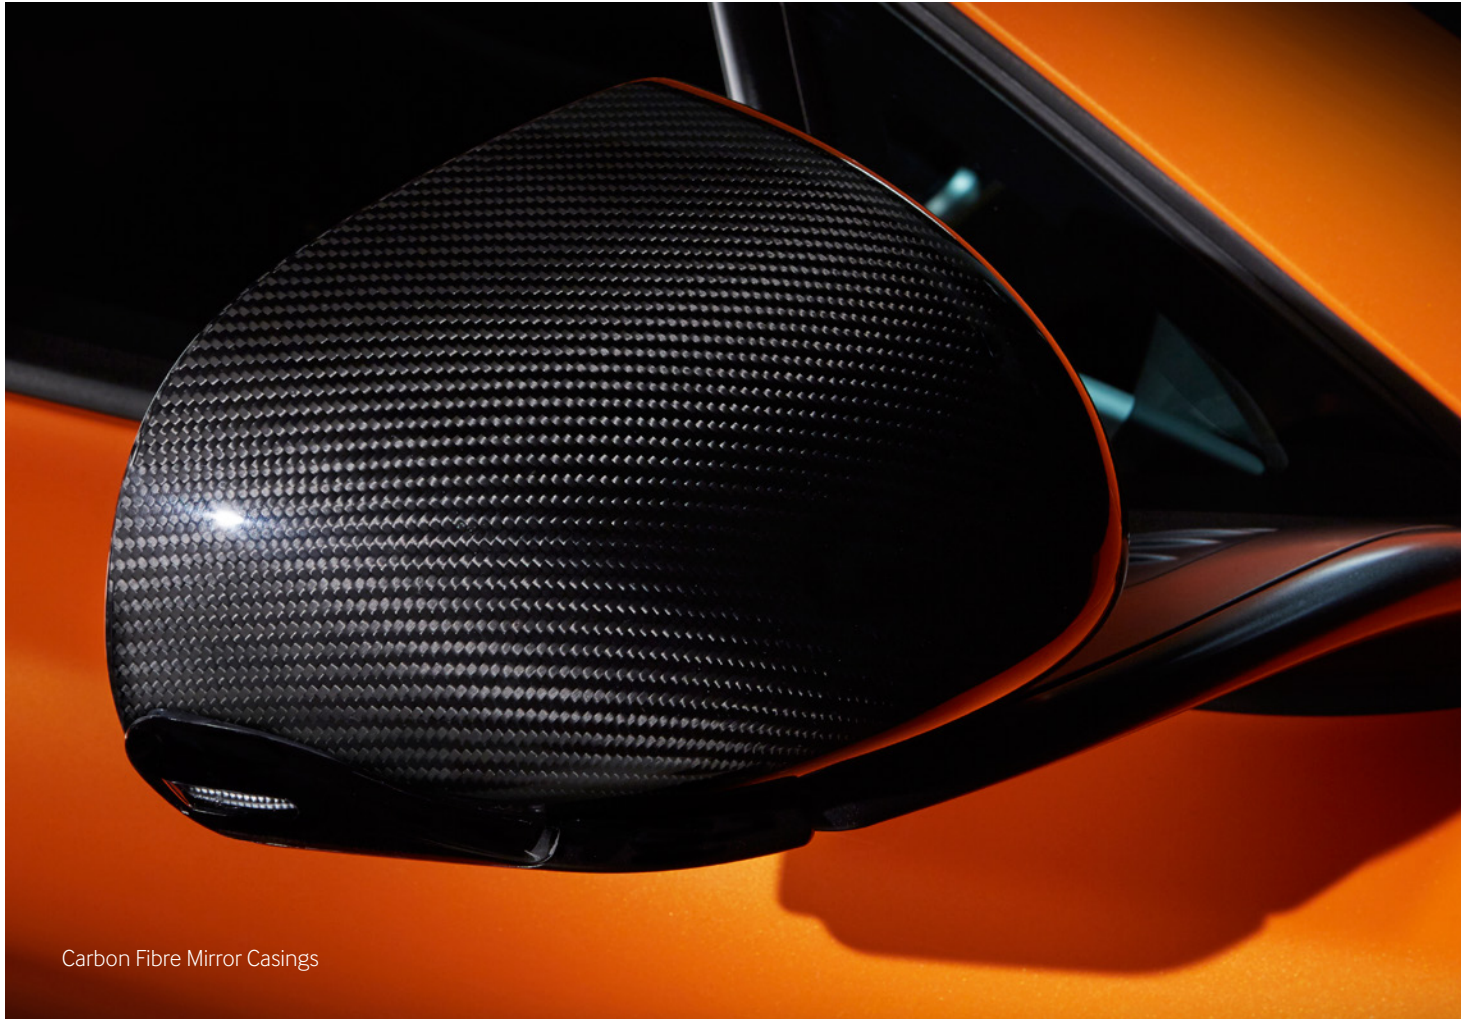

Carbon fibre is used throughout the rear bumper and diffuser, offering greater strength and a lower weight¹. The visible weave highlights the individual strands of carbon fibre and the rear of your vehicle can only be further enhanced with the addition of the McLaren Sports Exhaust. Designed to permit greater vocals from the award-winning M838T engine, the sports exhaust delivers unrivalled acoustics giving your McLaren an even more commanding visual and aural presence.

Carbon Fibre Door Blades

Carbon Fibre Side Intakes

Carbon Fibre Mirror Casings

Lightweight, strikingly beautiful and exceptionally strong, carbon fibre accessories provide you with further opportunity to personalise your McLaren. Each component draws on the vehicle's contemporary styling, while also underpinning the ultimate in sports performance.

Designed to harmonise with your McLaren's natural beauty, the accessory range has been designed with as much attention to detail as the vehicle itself. Our engineers have left no stone unturned in the pursuit of perfection.

Carbon Fibre Engine Bay details Kit with aluminium caps

The focal point of your McLaren, our award-winning M838T engine forms its heart and soul. Visible to the outside world, our carbon fibre engine bay panels create a centre of attention that gives more recognition to the technology and craftsmanship behind your McLaren.

PROTECTION

PURSUIT OF PERFECTION

Your McLaren is the result of an obsession with precision and innovation, employing high-specification materials that have been rigorously engineered to provide you with the best possible ownership experience. To help keep your McLaren in optimum condition, we have developed a range of specially formulated products that safeguard and maintain the timeless beauty of your McLaren.

The indoor cover provides a fully tailored fit, protecting your McLaren from dust and dirt. Its inner fleece lining is designed to be gentle against your vehicle's paintwork, and the elasticised fit shapes around your vehicle, allowing you to enjoy your McLaren's impressive contours even when covered.

The indoor cover is available in black with McLaren Branding and contrast orange piping.

McLaren Car Care Set*

Our Car Care products are designed specially to cleanse, maintain and protect the quality materials used in your McLaren and enhance the natural shine.

Available as a complete Car Care Set or as individual items.

Please speak to your Retailer for more information.

McLaren Cleanse Shampoo*

The rich foam from the shampoo gently lifts dirt and dust to restore the natural shine and provide a comprehensive deep clean. It also revives previously applied layers of McLaren Premium Wax to give the paintwork a high-gloss definition.

McLaren Cleanse Leather Cleaner*

Specially formulated to restore the colour and softness of your leather trim, the cleaner produces a creamy lather that gently lifts engrained dirt, leaving your McLaren's leather surfaces fresh and clean.

McLaren Maintain Glass Cleaner*

An engineered solvent designed to specifically eliminate dirt, dust and grease, leaving your vehicle's windows immaculate and streak-free, and allowing you to concentrate on the road ahead.

McLaren Maintain Detail Spray*

For instant shine, the detail spray is a quick and easy way to add gloss and protection while keeping the exterior surfaces of your McLaren free from any unwanted marks.

McLaren Protect Leather Guard*

The most effective way to prolong the life of your leather trim, our leather guard helps to protect from UV damage and restores its natural aroma.

McLaren Protect Premium Wax*

Hand-blended using highly refined carnauba and beeswax, and enriched with fruit extracts, McLaren Premium Wax adds a long-lasting protective layer and an extra dimension of gloss finish to the exterior of your vehicle. Specially formulated, our premium wax protects and enhances your vehicle's immaculate paintwork.
